## A NIGHT OF MUSIC IN SUPPORT OF VULNERABLE CHILDREN

"Let sing for MAYAA" is an incredibly unique musical show putting together professional and semi-professional musicians from various musical background to offer an eclectic and rollicking concert combining opera, jazz, French songs, gospel, Flamenco, as well as 2 young prodigies of international level. 2021 will be the 5th edition of this concert.

This show is also a generous operation: 100% of the proceeds goes to MAYAA, a HK based charity supporting poor children for their education and their families, in HK and Nepal.

## MAYAA FOUNDATION - [www.mayaa.world](http://www.mayaa.world)

MAYAA supports children from disadvantaged families both in HK and in Kathmandu (Nepal), primarily covering costs that would otherwise stop them from having an education. In Nepal specifically, MAYAA also provides health care services and empowers women from disadvantaged communities.
