

# URGENT!!

## REBUILD our Centre for Refugees!

### Your Immediate Response is Needed for our Long-Term Recovery!

The Centre for Refugees, a “home away from home” for our refugees and asylum seekers, suffered a fire  on the morning of Saturday, 29th of August. We were saddened and shocked to see our community centre, which was once a welcoming space for our beneficiaries to seek refuge and meet with caseworkers, reduced into ashes and dust. Thank God that no one was hurt!

We have received an overwhelming response from our friends in Hong Kong and overseas - offering their support, love and inquired for ways to donate. Your warm messages inspire us to continue to persevere and remind our team that we are not alone — THANK YOU!

### Estimated Rebuilding Costs

Building work / Fit out: **HK\$565,000**
